

ABOUT CYRIAS:

With offices in several French cities (Palaiseau, Nantes, Bordeaux, Montpellier...), CYRIAS, a consulting and integration firm, supports its clients in France and abroad on projects to digitize their purchasing and finance functions.

With a team whose expertise is recognized by the market, we rely on the knowledge of each of our employees to analyze, advise and implement the best solutions on the market. We do everything possible to improve our clients' performance in the long term.

In order to support our strong growth, we are looking for Purchasing/Supply Chain IS Consultants (M/F) in our different offices.

IS CONSULTANT

PURCHASING &

SUPPLY CHAIN

(M/F)

PROPOSED MISSIONS

After a complete training on the leading software of the market, you will participate in large-scale projects within international groups.
